Dear LPS State Representatives,

Each year, the Education Committee, a subcommittee of the Lo-Pha Society, Inc. (LPS) National level, works diligently to seek funds from our communities and businesses supporters as a way to recognize the Lo-Pha Youth graduates who will be entering college as freshmen and/or students who are in their first year of college.

The funds will support the "LPS Youth Foundation/College Starter Fund." The LPS Youth Foundation/College Starter Fund is used directly towards college tuitions and/or purchasing materials for the first year of college ONLY. ** (See College Starter Fund application forms for qualifications and details).

Lo-Pha Society, Inc., at the National Level's mission is to recognize individual students and encourage educational advancement to cultivate and empower individuals to reach their true potential. LPS can achieve its goals with the assistance of generous donations from members of our communities like you. Without your donations and continued support, the LPS Youth Foundation/College Starter Fund would not be possible.

We would like to request your sponsorship and donation for our LPS Youth Foundation/College Starter Fund. This year's LPS Youth Foundation/College Starter Fund will be awarded at the LPS' Annual Conference which will be held on May 27 & 28, 2017.

Your sponsorship would cover the following:

- Your business will be publically acknowledge
- Your business will be provided a table to share your resources
- Your business name will be advertised on the LPS' web page and displayed at the LPS' Annual Conference.

NOTE: If you are able to make a donation to our LPS Youth Foundation, please reply by April 23, 2017 or before. Thank you in advance for your generous support! The Deadline has been Extended until April 23, 2017--ALL Donations are DUE.
